## **Contents**

Contents								
1	Preliminaries							
	1.1	Locali	ization	1				
		1.1.1	Definition and Local Objects	1				
		1.1.2	Localizing at Adjoint Functors	1				
	1.2	Triang	gulated Categories	2				
		1.2.1	Homotopy colimits	2				
	1.2.2 A generalization for algebraic triangulated categories							
Bi	bliog	raphy .		3				

### **Chapter 1**

### **Preliminaries**

- 1.1 Localization
- 1.1.1 Definition and Local Objects
- 1.1.2 Localizing at Adjoint Functors

- 1.2 Triangulated Categories
- 1.2.1 Homotopy colimits
- 1.2.2 A generalization for algebraic triangulated categories
